The above Adjustment Factors are to be specified to four decimal places. Any alteration, erasure, or change must be clearly indicated and initialed by the bidder. All prices and information required on the bid form must be either typewritten or neatly printed in ink (use figures only). The County of San Bernardino reserves the right to revise all arithmetic errors in calculations for correctness. The Bid factor of each item on the Proposal must be stated in words and numerals; in case of a conflict, words will take precedence. In the case of a discrepancy between the written bid or numerical bid set forth on the Bid Proposal, and the numerical bid set forth in the ePro system, the information on the Bid Proposal shall prevail. The County reserves the right to reject any and all bids and to waive any irregularities.

All Unit Prices listed in the Construction Task Catalog® are priced at a net value of 1.0000. The Adjustment Factors shall be an increase or decrease to all the Unit Prices listed in the Construction Task Catalog®. For example, 1.1000 would be a 10% increase to the Unit Prices and 0.9500 would be a 5% decrease to the Unit Prices. Bidders who submit separate Adjustment Factors for separate Unit Prices will be considered non-responsive and their bid will be rejected.

The weighted multipliers above are for the purpose of calculating an Award Criteria Figure only. No assurances are made by the County that Work will be ordered under the Contract in a distribution consistent with the weighted percentages above. The Award Criteria Figure is only used for the purpose of determining the Bid.

When submitting Job Order Price Proposals related to specific Job Orders, the Bidder shall utilize one or more of the Adjustment Factors applicable to the Work being performed.

Responses to Bidder's Questions

Q: Will you be posting the Pre-bid meeting sign in sheet?

A: The Mandatory Pre-bid meeting sign-in sheet is available on the Real Estate Services Department – Project Management Divisions website under the Projects tab. The website is cms.sbcounty.gov/ae

Q: Please clarify all types of flooring will we be responsible for?

A: Bidders are responsible for all types of flooring listed in the Construction Task Catalog dated January 2019.

Q: How does payment work? I see there's a section for "Payment Application" on the printed documents but the writing is so small.

A: Payments are made via Electronic Funds Transfer (EFT). Please see Section 91 of the General Conditions included with the Bid Package.

Q: The areas that would be considered restricted (Factor 4 and 8) would be sheriff stations, fire departments and hospitals. Is there any other buildings or locations that would be considered restricted?

A: Fire Stations are not considered restricted areas. Sheriff and Probation facilities, OSHPD hospital and clinic projects are considered restricted under Factors 4 and 8.

Q: How many unilaterals were issued for the lowest responsible bidders last year? I'd like to have an understanding of how many issues arise from the counties acceptance of the lowest bid factors and if the county had to collect on payment and performance bonds. This will help us fine tune our factors so it can be more cost effective and responsible for both parties.

A: The County suggests that factors bid are based on the Contractor's ability to do the work at the factor and not based on whether historically the County has exercised its legal right under the contract to force a contractor to do work for the factor bid. This information is therefore not relevant to this proposal. General Public Information may be obtained pursuant to a Public Records Act Request.

The County of San Bernardino reserves the right to revise all arithmetic errors in calculations for correctness. The Bid factor of each item on the Proposal must be stated in words and numerals; in case of a conflict, words will take precedence.
