The above Adjustment Factors are to be specified to four decimal places. Any alteration, erasure, or change must be clearly indicated and initialed by the bidder. All prices and information required on the bid form must be either typewritten or neatly printed in ink (use figures only). The County of San Bernardino reserves the right to revise all arithmetic errors in calculations for correctness. The Bid factor of each item on the Proposal must be stated in words and numerals; in case of a conflict, words will take precedence. In the case of a discrepancy between the written bid or numerical bid set forth on the Bid Proposal, and the numerical bid set forth in the ePro system, the information on the Bid Proposal shall prevail. The County reserves the right to reject any and all bids and to waive any irregularities.

The weighted multipliers above are for the purpose of calculating an Award Criteria Figure only. No assurances are made by the County that Work will be ordered under the Contract in a distribution consistent with the weighted percentages above. The Award Criteria Figure is only used for the purpose of determining the Bid.

When submitting Job Order Price Proposals related to specific Job Orders, the Bidder shall utilize one or more of the Adjustment Factors applicable to the Work being performed.
